- Easy to access. / pages
- Fastest loading.
- Not too many images / i.e. each page - not overloaded
- Mobile view.

Why are new usage for website

- Customer - want data info of visitors

Digital marketing

① Main

- ② → Facebook
- ③ → LinkedIn
- ④ → Twitter

⑤ → Google promotion

— Blog writing.

Arguing

{ we need to sit with some digital market panel }

Why should someone visit our website

— Take away

Total cost related to product or services / services.

— Selection Tools

— ROI / Calculation

Have discussions with him

↓
⇒ Learn from him / hear from him

↓
Then put our proposal

→ Discuss about digital marketing with him

Interviews }
